What information is collected:

I receive, collect and store any information you enter on the website or provide me in any other way. I use software tools such as Goggle Analytics (which is also compliant with the new legislation) to measure and collect session information, including page response times, length of visits to certain pages, page interaction information, and methods used to browse away from the page. I also collect personally identifiable information (including name, email, communications) comments and feedback via our contact us page.

How I collect information:

When you communicate with me on the website, as part of the process, I collect personal information you give such as your name and email address. Your personal information will be used for the specific reasons stated below only. If you email me or contact me directly for purchase of goods, data will be stored until that product has been completed and mailed out to you. If you are a regular customer with regular purchase orders then certail details such as your name, address and contact number will be kept for my records only and no information will be passed on to third parties.

The reason:

We collect such Non-personal and Personal Information for the following purposes:

- To provide and operate the best service to you that we can;
- To provide an ongoing level of excellence with our customer assistance and technical support;
- To create aggregated statistical data and other aggregated and/or inferred Non-personal Information, which we or our business partners may use to provide and improve our respective services;
- To comply with any applicable laws and regulations.

How I store, use, share and disclose your site visitors' personal information?

MAC Chocolates is hosted on the Wix.com platform. Wix.com provides us with the online platform that allows us to provide and market our services to you. Your data may be stored through Wix.com's data storage, databases and the general Wix.com applications. They store your data on secure servers behind a firewall.

Any information received via our contact us page on the website is stored via Wix logging system and deleted after 31 days unless further communication has been made.
